DESIGN OF SPAIN

Hockey series resembles the pattern of varied soil types of Earth. The effect given to it looks seemingly true to life and uncommon to have in artificial space, that creates perfect match of humanistic and naturalist effect.

As it is made with random design techno, it can be fit even without chronological order. But still is delight in disorder.

"I think it's possible for ordinary people to choose to be extraordinary."

- Elon Musk

Boxing Seris is the quintessential of rustic sand stone design.

Inspired by the unique landscape of traditional eastern region.

Uniquely fashioned stones create a look that is appropriate for a variety of design opportunities ranging from contemporary to traditional.

"If you do build a great experience, customer tell each other about that. Word of mouth is powerful."

- Jeff Bezos
