DESIGN OF SPAIN

Freefire series resembles the pattern of varied soil types of Earth. The effect given to it looks seemingly true to life and uncommon to have in artificial space, that creates perfect match of humanistic and naturalist effect.

As it is made with random design techno, it can be fit even without chronological order. But still is delight in disorder.

"I think it's possible for ordinary people to choose to be extraordinary."

- Elon Musk

Nature always know the peace and sobriety of own, to give something artificial though having that resemblance of eye pleasing vision, the idea of tiles came that can match with a flourishing need of touch of nature in all human made products.

This series resembles the pattern of varied soil types of Earth. The effect given to it looks seemingly true to life and uncommon to have in artificial space, that creates perfect match of humanistic and naturalist effect.

The idea of this Khokho is to give the sensation of Nature but with the touch of added enliven recreation of theme.

Khokho comes in seven different colours which would not leave the choosiness in you. Not just the look it serves is natural but its made eco friendly as well.

"There's no shortage of remarkable ideas, what's missing is the will to execute them."

– Seth Godin
